

EYELASH ENHANCING PRODUCT

Achieve longer, fuller and darker eyelashes with Latisse, the first and only FDA-approved science-based treatment for enhancing eyelashes. Available by prescription only, this once daily treatment is \$120 per bottle. Latisse is applied to the base of the upper eyelashes, achieving results in as little as eight weeks. Achieve maximum results in four months. To maintain your results, continued treatment with Latisse is necessary. If use of Latisse is discontinued, eyelashes will gradually return to their prior state over a period of weeks to months. Call for a free consultation to see if this product is right for you.
