# NEWS

The holidays are here. Wow - this year has flown by! Where did the time go? The hustle and bustle of everyday life can make your head spin and during the holiday seasons there are always dinner parties, family gatherings and special events. We look forward to helping you get ready for the holidays.

We want to invite you to come visit us again this year for our holiday facials. The **Peppermint Facial** has been the most popular treatment around the holidays year after year. It's sure to put you in the holiday mood.

This year we are also adding the back facial to our menu of holiday facials. The back facial offers deep pore cleansing, exfoliation, massage and a treatment mask – just on your back. During this busy season, schedule this relaxing time and receive a wonderful skin care treatment on your back as well!

This time of year allows us to see friends and family that we don't see often. Just relax and let us take care of the rest. Let us help you feel refreshed and revitalize your look.

## Portrait Express

The newest treatment in our office is the Portrait Express. For patients who are looking for a refreshed, brighter looking skin, Portrait Express skin regeneration is the first and only clinically proven technology delivering true skin regeneration. Now, patients can benefit from reduced wrinkles, tighter skin with improved skin tone and texture - all at the same time with the Portrait Express treatment. This treatment is performed by our Esthetician, Hannah Cox. For improvement of fine lines, sun damage, tone and texture of the skin, the Portrait Express offers a very low energy treatment with no downtime. A series of six treatments is recommended for optimal results. Treatments should be scheduled 2-3 weeks apart. Schedule an appointment on your lunch hour. It's quick and effective. For great lasting results with the Portrait Express plasma procedure, call our office to schedule your appointment.

### Radiesse & Juvéderm

Radiesse & Juvéderm are safe cosmetic dermal fillers that last. These fillers are used for the correction of facial lines and wrinkles and restoring a natural, youthful look. Numerous medical studies have shown that cosmetic fillers are safe and long-lasting to fill and correct smile lines, nasolabial folds and wrinkles around the nose and mouth.

#### Radiesse Cosmetic Filler

After

Want those full and vivacious lips? The appearance of our lips is within our control. Fine lines, wrinkles, thin lips and a drooping corner of the mouth are all areas that can be restored with Juvéderm. Juvéderm is a safe and natural dermal filler that adds fullness and volume to the skin and lips. Studies have shown that the results from Juvéderm usually last for six months. See our special coupon offer.
